- **SERVICE PACKAGE DESCRIPTION - 24 HOURS STAY IN AVAV**

We are much more than a boarding house, much more than a hotel for dogs and much more than an overnight stay. In our hotel :

- no cages, boxes and chains!
- AVAV will provide the best day care and kindergarten for fun for your pet, running and exercises necessary for physical health and sincere love, upbringing and socialization for their mental health.
- In the evening they sleep in luxurious bedrooms that give the feeling of a homely atmosphere!
- They get a personal bedroom which is available to them 24 hours a day.

At AVAV the dogs are truly happy, free and socialized with humans as well as with other dogs.

Our care program contains another important moment for your pet, and that is a real home atmosphere during the 24 hour stay of your pet in AVAV!

- Dogs move completely freely in and out throughout our 2,000-square-foot Resort.
- Always accompanied by our trained staff. They play freely and lie on the beds when they need to.
- They spend every day in free play outside the parks and are never locked in cages or boxes, and at night they sleep in real personally assigned bedrooms specially made for them which are available to them 24 hours a day.

### **Terms and conditions for the hotel of AVAv Happy Dog:**

1. All dogs must be registered AVAV Happy Dog - (REGISTRATION FORM-for personal protection of the client. Data for treatment and work with your dog) - 600mkd (10 euros) which is charged once.
2. The transportation is used at the agreed time, the vehicle can wait 5/10 minutes from the call for handing over to the pet, otherwise its own transport can be used.

3. Check in and check-out hours for hotel accommodation and transportation of AvaA Happy Dog are from 09:00 to 19:00 on all days of the year.

Prices for hotel accommodation:

Small and miniature dogs: 860 denars per day - 24 hours

Medium and large dogs: 980 denars per day - 24 hours

The price of hotel accommodation includes a 24-hour stay with constant supervision and companionship with our staff. At the same time, we treat your pets with home-made healthy treats from AVAV Bakery for any good behavior as part of their socialization program.

In the part of the diet the price of accommodation includes standard food for your pet, if you decide on that, but it does not change the price of accommodation.

However our recommendation is for you to bring your favorite foods to which what is your pet used to! The change of environment, as well as the change of food at the same time can cause additional stress on the pet and side effects on the stool or stomach problems!

Prices for transportation AVAv Happy Dog:

\* transportation is charged 150 denars one way (on weekdays during working hours)

\* transportation is charged 300 denars one way (on weekends)

\* transportation is charged 360 denars one way (during non-working days and holidays)

\* transportation is valid for the territory of Skopje
